TRINDADE

GROUP MENU

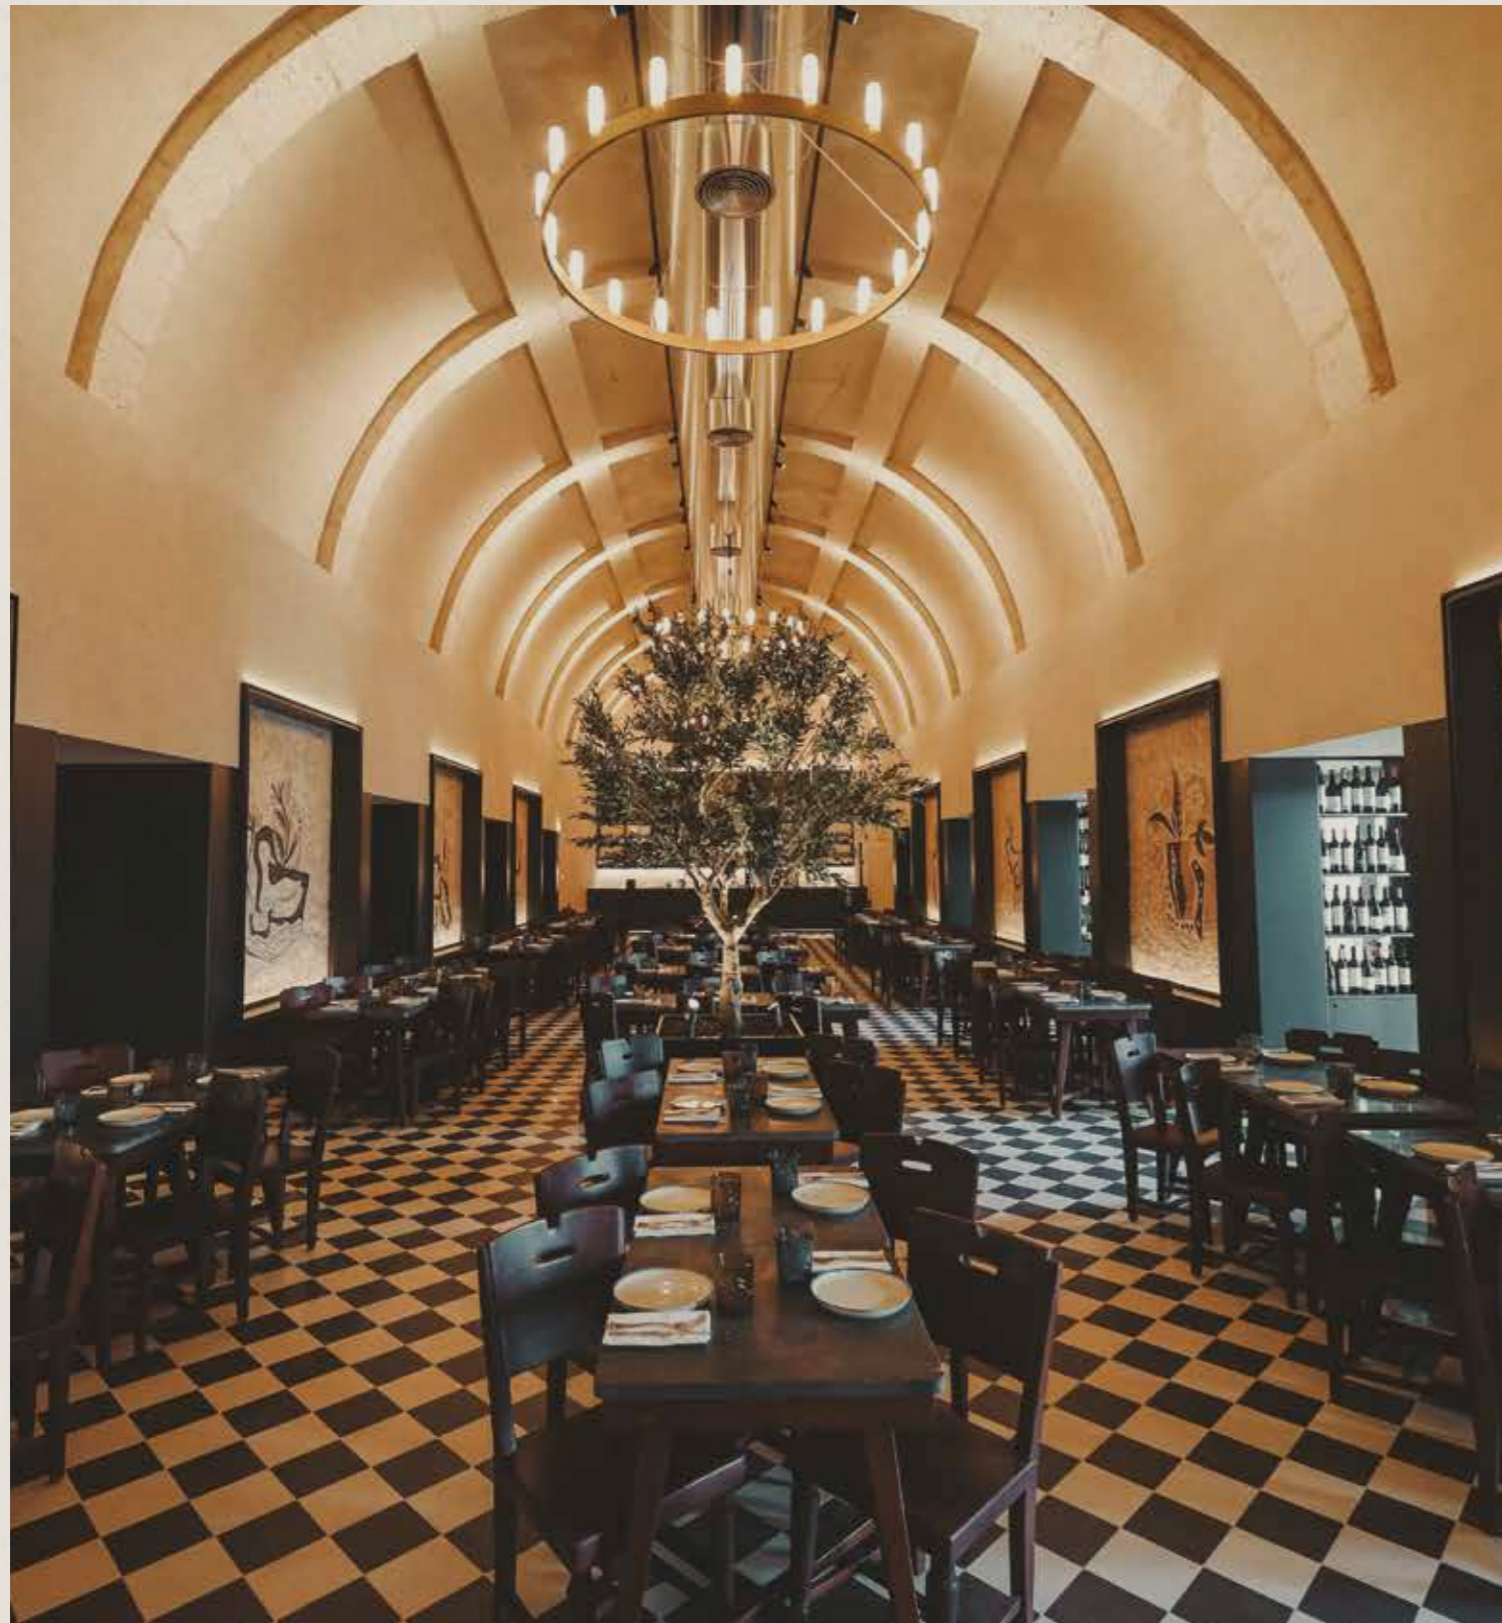

*Beautiful
& Old*

Here comes Lisbon.
Here come the purebred Lisboners, and those of the heart.
Those who live here and those who are just visiting.
Here comes bohemia, leisure and celebration.
Debates and different points of view.
Here comes the past, the present and the future, the old, the modern and the forever.
Here comes family, colleagues and friends, in business, enjoying themselves or just visiting.
Here comes the beer, the wine and the champagne, the steak, the seafood and the tidbit.
Here comes tradition, history and memories.
Here come the modernist panels and the Freemason tiles.
Here comes the lion, the seasons and the birds.
Here comes fait divers, culture and politics, a glorious past in a mythical brewery.
Come to the refectory, the cloister or the atrium.
Come along, we're celebrating our originality. Without it, we're nothing.

TRINDADE A CERVEJARIA ORIGINAL
DE LISBOA · EST. 1836

Since 1836

Trindade belongs to everybody,
but belongs to nobody.
Just like Lisbon.

Trindade is the most beautiful and ancient brewery in Portugal. Simultaneously aristocratic, democratic and popular, Trindade is an historical monument: once a convent, it survived a major earthquake, recovered from two fires and bravely endured the passage of time. Trindade has been recognized as a Cultural Heritage site of Lisbon, welcoming all, not only those from the city, but also all the Portuguese and worldwide.
